Editors' Notice Board

Dear Readers,

What happened? Where did that year go? It can't be nearly 2016 already can it? Well of course it can and it certainly is! This particular pair of Cock Crow editors has been in place since 2008 and so we should be used to the annual cycle of the Cock Crow year but the time still seems to fly past at an ever increasing pace.

At this time, as regular readers will know, we take the opportunity to say thank you to everyone concerned in the production and distribution of the magazine for their continued dedication and to the advertisers for their vital support. There have been some changes to the Cock Crow team during this year, some long serving team members have retired and been replaced by new ones, we thank the former for their efforts and wish them well and we welcome the latter to the team. We write this every year, we know, but it's still nonetheless very true that every one of you plays an important part in keeping the magazine in production and we thank you all most sincerely for giving your time, expertise and in the case of the advertisers, financial support, over the past year and we wish you all health, happiness and success in 2016.

It's your turn now readers because without you the entire thing would be pointless!

We thank you for reading Cock Crow and hope that you find at least some of the magazine interesting and informative. We would be pleased to receive your feedback or even your material for possible publication. Contact details are on the centre pages.

Finally, from the whole Cock Crow team we wish all our readers a happy Christmas and a healthy and peaceful New Year.

Advent, think about it!

By the time you read this I expect that Christmas will be in full swing. Actually, as I write this the shops have been full of Christmas goodies for some time and I've already heard my first Christmas song in a local shop.

But for those of us in the church environs, Christmas; that is Christ's Mass; doesn't even start until Christmas Day and then lasts for precisely 10 days until Epiphany. The 4 weeks before this is called Advent. Advent is a time of waiting and expectation and for all Christians all over the world a time of fasting and introspection; a time to ponder Christ's place in our life and to acknowledge before Him the burden of the sin we all carry and give them to Him who freely forgives.

I love Advent and relish the permission I get to sit and be still before the Lord. I am also very aware that the carol concerts and children's nativities, the smells of mince pies and mulled wine bring a glow to many, many people's lives (including me) and a sense of contentment that is not easily found in the routine of life.

So for whatever reason you enjoy the season upon us, may I wish you a very thoughtful Advent and a wonderful, blessed Christmas.

Ps Don't forget to look in your local newsletters and notice boards for details of the various Christmas Concerts and services we have in all the churches in the area or the dates we're singing carols in the local pubs – I know you wouldn't want to miss them.

May you and yours be blessed,

Wendy

Hymns for Advent: All 'usual' services during Advent will use hymns from a booklet compiled during the summer – including the traditional favourites alongside some newer, but also very meaningful ones. It will be used for the first time on Advent Sunday, 29th November, when all six parishes join for the 10.30am Eucharist in Diss Parish Church.

The Christmas Big Carol Sing will take place in St Mary's Church, Diss, on Friday 18th December at 12.30pm. All are welcome to a very informal occasion, to join in singing some of the best loved carols, chosen by those who take part.

A traditional Festival of Lessons and Carols will be at St Mary's, Diss on 20th at 6pm.

The First Communion of Christmas is in St Mary's Church, at 11.30pm on Christmas Eve, following a half hour of informal carol singing

BRESSINGHAM NEWS

Church News

Over 30 people attended a simple and contemplative Remembrance Sunday Service at the war memorial in Bressingham. It was very moving to hear the Roll Call of the Fallen read by Robert Brooke, himself of the age of many of the local men called to war 100 years ago.

The School Carol Service this year is on 16th December at 6pm.

We're delighted to hear that Bressingham Church will host a Christmas Day Service this year and look forward to meeting with many friends from the community on that day.

You may have seen the item in the local press on Bressingham Church and it's great need for maintenance and repair. There is good news that the bid for Heritage Lottery Funding is progressing and the church has been visited by experts from English Heritage. We are hopeful that the bid can now move forward to the next phase. If everything goes smoothly the money for the work to start should be in place in 2017.

We were sorry to hear of the death of Mrs Winnie Garvie at the wonderful age of 95. Mrs Garvie had lived with her daughter Sheila, granddaughter Electra and son in law Peter in Chequers Lane until 11 years ago when she went to live at The Beeches in East Harling. We send our deepest sympathy to the family.

Bressingham Parish Council Meeting

October and November 2015

David Hodges was co-opted to serve on the Parish Council. This is a return for him, as he served on the council several years ago.

Karl Traynier was elected as vice chair and Jan Dela Salle, the current chair, announced her retirement from the parish council at the end of the year.

Planning issues were discussed and the outcomes can be viewed on the South Norfolk website.

The 'Meet Your Councillor' event went ahead in September and the councillors have been following up on a number of issues raised. These primarily

concern local traffic. The council is looking into the possibility of buying a speed monitoring sign.

Norfolk County Council has decided that due to cuts in the highways budget, they will no longer repair potholes on minor roads and this will be the responsibility of the parish council.

A large number of footpath signs have been broken and numbers removed.

The next meeting is on 4th January 2016

FERSFIELD NEWS

Fersfield Church News

Fersfield really has looked beautiful during the Autumn season, with the trees and shrubs, both wild and cultivated, displaying their wonderful late-season tints, a mass of colours including russets, reds and golds, among others. We now have bare branches and avalanches of leaves to be cleared away as we get ready to welcome the Winter – it may be a cold one if the quantity of holly berries really is anything to go by.

Fersfield continues to be busy. We had a Village Picnic on the Church Meadow on a mid-September Saturday. The food and preparations were excellent – thanks in particular to Karl, Anna, Debbie, Margaret and Graham and all those people who made the splendid picnic fare and cut the grass. A big 'well done' is due to everyone, including those who shone in the organised games.

We participated in the Diss Team Ministry Harvest Celebration on 2 October. Fersfield's famous cooks worked with those from the other parishes to produce a splendid meal. As a result of this event and its raffle, a handsome donation was made by the Benefice to the Refugee Appeal.

Our own Harvest Festival took place on 18th October. We welcomed a large congregation for the Harvest Service at 4pm, following which 55 people enjoyed a 'light' supper in the church, choosing from a range of beef, chilli and vegetarian main courses and delicious desserts. Many thanks go to our team of people who made possible this event, which by popular demand looks like becoming established as an annual happening.

Sunday 8 November, at mid-afternoon, Fersfield's Annual Remembrance Service took place. A large congregation met in church for the Gathering, Reading, Address and Prayers, before going out to the War Memorial for the Act of Remembrance which included the Silence, wreath-laying, sentences and Kohima Epitaph, spoken for us by our guest-of-honour, Sgt James Rogers, who is serving with the RAF Regiment at Honington. The Service concluded back in the church and was followed by

refreshments. Fersfield was, of course, a large British and American bomber base during World War Two, from which crucial and often still-secret missions were launched. There were many airmen who did not return, and we remember them at our service, which is very moving and atmospheric in this peaceful place. Everyone is welcome to join us.

Bressingham and Fersfield continue to plan for next Summer's Open Gardens Event. The programme is clearly emerging, and the next meeting for this will be at Katherine's home, Grange Cottage, Bressingham, on Wednesday 27 January at 7pm.

...and so to the Christmas Season! On Saturday 5 December there will be a 'Morning in St Andrew's' at which there will be tea, coffee, refreshments, books to buy or exchange, a table of seasonal items/gift ideas and other craft attractions – please come for an enjoyable morning.

Monday 21 December at 7.30pm is our Annual Carol Service, to be followed by seasonal refreshments. Do join us, and be early enough to get a seat – even though the Village Hall has again kindly lent us a large number of extra chairs!

Fersfield's Christmas Day celebration is the traditional Family Service at 10.30am. This will finish in plenty of time to be home in time to put the turkey and sprouts in the oven!

Our full battery of new heaters is now in place in the church – it is now possible to be warm in St Andrew's! More details concerning the roof and chancel repairs, upgrading of the entrances and other work to make our village's only public building more comfortable will be included in the next issue.

A huge thank-you to all those people who work so hard for our church and its community, and have done so much during 2015. We all wish you A Very Happy Christmas and peaceful New Year.

LOPHAMS NEWS

St Andrews School

It has been a busy start to term at St Andrew's. Pupils, staff, governors and parents are delighted to have achieved the Gold standard award for PE.

In the last half term, Reception pupils have really settled into school routines well. They have been able to meet the teachers and children from the other schools in our federation during our Harvest Experience and Dinosaur Day. This half term, Discovery are looking forward to learning more about Dinosaurs and taking part in the Christmas production!

In September Victory Class visited St Andrew's Church, South Lopham, for a historical workshop. Children enjoyed exploring the building, taking rubbings and sharing their learning back at school afterwards.

In Endeavour class pupils have been looking into the characters and setting of the book Beowulf.

At the end of last half term, years 3, 4, 5 and 6 took part in cluster cross county at Diss High School. A third of the pupils qualified to take part the area finals at Earlham Park in November. Year 5 and 6 are also looking forward to taking part in the Diss Cluster Tag Rugby competition, while year 1 and 2 go to a cluster multi-skills event.

School Council have also been very busy. They organised a very successful 'scary cake sale' before half term and are now preparing for Children in Need.

Book week was a success. During the week children wrote book reviews, read together and came dressed as book characters. Marilyn Brocklehurst from the Norfolk Children's Centre visited to talk with parents about encouraging their child to read for pleasure.

If you would like to know more about St Andrew's or come and visit, please contact the school office on 01379 687253

St Andrew's Pre School

The children have enjoyed getting to know some of the 'people who help us' in our daily lives. They became 'helpers' too, when they filled a box with

fruit, vegetables and eggs to present to St Nicholas' Church at the Harvest Festival, then took the box to give to Richard Vere, in the church. Now that Bonfire Night excitement is over, thoughts turn towards Christmas preparations – making cards and decorations then sharing in the seasonal special events.

We have some spaces on Mon/Wed and Thurs am and pm sessions, so invite any new residents with children approaching their 2nd birthday, or a bit older, to get in touch to arrange a visit with a view to joining us. We offer your child a safe way to make friends with those they may then grow up alongside, and can also help them to get to know the 'big' school too. Do note that ALL 3 year olds are entitled to 15 hours free sessions each week. Following our GOOD OFSTED rating we can now offer free funded places to eligible 2 year olds as well!

As always, just drop in on Mondays, Wednesdays or Thursdays during school term time, between 9.15am and 3.15pm to view the setting and meet our team. Our contact number is 07854 091257.

Lophams' Ladies

Meetings: the first Tuesday of the month in the Village Hall, Dec, Jan, and Feb at 1.45pm for 2pm.

Our October speaker, Celia Stevens entertained us all with her very enthusiastic talk on her passion for racing driving. From her trepid beginnings; taking her racing car driving licence test on Snetterton track, to racing in the Le Mans Classic in her 'Peerless' and also a 1930s Citroen C4; Celia is now an instructor herself.

In November we were entertained by Mary and Jane of the Windmill Ringers. These two ladies played a delightful selection of music on their handbells, they can be heard again playing at Blickling Hall over Christmas. Our December meeting on the 1st of the month will be held at 2pm when Rosemarie Jacob will talk about on 'A day in the life of a Newsagent'. The committee will provide seasonal refreshments, giving us chance to catch up on a winter's afternoon at the start of the Christmas season. Looking ahead to our first meeting of 2016 we meet in the afternoon when Malcolm Crowe will bring along some of his traditional handcrafted games.

Our Cake Stall at the October Farmer's Market raised £109. Thanks go to all who helped to ensure a

well stocked stall and all those who supported us by buying our cakes.

Visitors and new members always welcome, phone 01379 687337 for details.

Lophams' Garden Club

On 1st October we welcomed Simon White to our meeting. Simon spoke about his passion for growing late-flowering chrysanthemums and illustrated his talk with many colourful slides of the beautiful blooms he has growing in his greenhouse.

Gabby Reid visited us on 5th November and gave a presentation on 'Wreath Making' as well as telling us about her garden.

We are looking forward to our Christmas Dinner in December. This will be held at Blooms Garden Centre on 3rd December 7pm for 7.30pm and is sure to be a most enjoyable evening.

We do not meet in January and so our next meeting will be on 4th February when David Bolton will give a presentation entitled 'Scenes of Norfolk'.

We meet on the first Thursday of each month at 7.30pm at Lophams' Village Hall, visitors and new members are always very welcome.

Lophams Society

Lophams' Society Autumn Quiz took place on the 9th October and attracted players from the Lophams and further afield. Question master, Roy Clark provided searching questions and Mike Cox kept the score. After eight close rounds and a cheese ploughmans' at half time, Table 3 maintained its early lead and took home the spoils. The chairman closed the evening by thanking everyone who took part and especially all those who had provided complimentary feedback on the evening. He also thanked the committee for their hard work in preparing and serving of the food and Bill Bedford for his sterling work behind the bar.

Pre-Christmas Village Get-together on Friday 18th December at the Village Hall between 6.30 and 8.30pm. This is a FREE event and we hope residents of the Lophams both past and present will join us in raising a glass of Christmas cheer. A slight difference from previous Lophams' Society Christmas events is that in addition to the traditional mulled wine and mince pies, we will be offering a selection

of wines and cheeses and an assortment of festive nibbles. Soft drinks will also be available. We would love to see as many residents as possible including families, couples, singles and those new to the Lophams. Small children are welcome but may be disappointed to find that Father Christmas will not be joining us this year. So, please come along between 6.30 and 8.30pm for a drink, a nibble and a natter and let's get Christmas under way.

Holy Bingo continues in the Village Hall, on the first Monday each month at 2pm, when new faces are always welcome to come and share in fun sessions, with plenty of time for a chat. There will be mince pies at the December meeting, on 7th. January's gathering is on 4th. (Please telephone 01379 687679 for further details or for help with transport.)

Lophams' Village Hall

The Bonfire and Fireworks: After an anxious wait, the rain stopped and a drying wind blew some of the wetness away – just in time! We were grateful to all who brought material for the enormous fire and send sincere thanks to Jim Harris and his team who built it up. The fire burned steadily leaving just a heap of ash by Sunday. The firework display was stunning, watched by a great crowd as they enjoyed hot food and drinks. A big vote of thanks to everyone who helped, on the field, inside the hall, or clearing up afterwards, with a special mention for those who helped push off the few cars that got slightly stuck!

Bins: Smart litter bin and a 'poop scoop' bins have been installed at the fence adjacent to the field gates. They will be emptied regularly by Serco, to ensure the field looks tidy and the environment is safe for all please use them!

Dog Training: Sadly, Trainer Elaine Brown has decided to retire, so will not run any more classes after the training day at the hall on 21st November. We are actively seeking a new trainer to take on the classes in the near future. Meanwhile sincere thanks to Elaine for her years of very professional classes, and best wishes for a happy retirement.

The Lottery: It is great to have a full complement of

100 members again, with a corresponding monthly first prize of £200. We want to maintain this, so please get in touch if you would like to join as soon as a new vacancy occurs. Please ring 01379 687718 for more information or contact Eileen (01379 687608) or any committee member. There are three chances each month of winning a prize, plus a Bonanza draw in December for those who have been 'in' for at least three months. The Lottery winners for September were: first prize £200, A Jacob; second prizes of £50 each, L & L Kercher and T Colyer. In October the winners were: first prize £200, M Cox; and second prizes of £50 each, J Keylock and I Bowden.

Farmers' Market: Super Sausage Saturday encouraged extra people to come to the September Market. The winner of 'the golden frying pan' was the chicken sausage from Yew Tree Farm; Mrs Flack from Elveden won the £25 market voucher.

St Nicholas' Church

The Biggest Coffee Morning in the World Grateful thanks to all who came along to support Macmillan Cancer Care on 25th September. We raised £175 for this worthwhile cause.

St Nicholas' Harvest Thanksgiving was a lively, happy occasion, with lots of younger people joining the regulars, and taking a big part in the service – lighting candles, sharing in the procession of gifts, taking the collection etc, then enjoying delicious cake at the end. The two old tractors and hand held plough outside were a great attraction too. A huge thank you to the church decorators and everyone who helped in any way to make this such a great day.

On Remembrance Sunday there was a special act of remembrance at the 11am Family Service. The names of all those from the village who gave their lives in the two world wars were read before Brennan and Ian Harper read out the names of the 18 US airmen who died when their aeroplanes collided over the Lophams seventy years ago. We were especially glad to welcome eight youngsters to this service – the maintenance of the ceremonies will fall to their generation in a few years time.

Armistice Day, 11th November. At the Annual Ceremony at the War Memorial at 11am, juniors from St Andrew's School joined veterans, local residents and representatives of the American Air Force. As 2015 marks the 70th anniversary of the air crash over Lopham, when 18 US airmen lost their lives a special US Honour Guard was on parade, alongside the Union flag. The children played a full part in the occasion – sharing the citations and wreath laying, before Mia played the National Anthem on trumpet and they all sang a special Remembrance song.

The fifth Crib Festival will run from Wednesday 25th to Saturday 28th, between 11am and 5pm, and on Sunday 29th from 12 noon until 4pm, when Mary, Joseph and the donkey will set out on their journey round the area seeking a night's shelter with willing hosts – Posada – before they return to the church for the Crib service on Christmas Eve.

Murphy's Rambles

Hello folks

We are getting ready for winter as it is on its way but we have just had two such hot afternoons that it's hard to believe that it's November; mind you, the thick mists give us a clue! We have had a few early frosts now – human is not so keen but I love them, just the feel of the ice on your fur when you have a good roll in the grass – bliss.

We saw quite a few deer whilst the wheat harvest was finishing but, as the fields emptied and before the new crops germinated – no sightings at all. However, one morning we spotted a doe and her two youngsters. A Town Meadows walk is usually a sure bet and sometimes you even get to see the barn owl hunting; just so amazing to watch. It was surreal at the end of September when we were walking with the light of a full moon on one side and, on the other, a red ball of rising sun. We love gloomy mornings when the world takes on a pinkish hue. Quite often we have had rain. I don't mind but human is a bit funny sometimes – something to do with the wrong coat – what's the problem? We don't dissolve!!

South Lopham Estate Charity

The trustees met on 20th October and received the Treasurer's report and the school report from the Governor Representative.

For details of the charity and a simple application form please contact the Secretary on 01379 687985. Please be assured that all applications will be treated sympathetically and with complete confidentiality. The trustees are particularly interested in helping young people in South Lopham with the expenses of education and training, including travel.

We have had some lovely afternoon ambles. Well I walk her fast till I have let off some steam; then I let her walk back at her pace. I check out the exciting smells and she grazes on the blackberries. We both watch the leaves changing daily to a kaleidoscope of yellows and oranges. Human is just like a puppy if we find a leaf strewn path, shuffling her feet to make crunchy noises. One afternoon we stood for ages watching crows mobbing a persistent sparrow hawk until they finally drove it away from 'their' patch.

Catkins are now appearing ready for next spring, sloes are in abundance and the hedges are studded with bright scarlet rosehips, but we miss the flowers. All we have is a few knapweed and the odd dandelions; still, it won't be too long till we are searching for the first snowdrops.

Take care and don't let the weather keep you indoors – coats & wellies on and away!!!

The Emotions of Christmas

I must admit that my curiosity quite often takes over during the Christmas season; especially when it comes to my emotions. I love the account of Christ's predicted birth and future ministry, but loathe the commercial exploitation that unfortunately goes with it. I often wonder what Jesus would make with all the marketable goods that have been advertised since September, and what that says about our present generation. Such as, you can only have a perfect Christmas if you purchase XYZ. If only true love could be bought; it cannot.

In the scriptural account of the nativity, the emotions are taken for a roller coaster ride from the depths of poverty and living in an occupied country, to the wonder and adoration of the angels, to whom wise men came to worship.

I often reflect on what emotions Joseph and Mary went through, such as Mary's obedience to God's command. How did they react to the gifts from the wise men? Gold was a gift to a future King; Frankincense was a gift to a future Priest; but Myrrh was given to someone who was about to die, as it was used in the embalming of a dead body.

Or what about the emotions of the Shepherds; quietly going about their shepherding duties, when they are suddenly confronted by the glory of the angels announcing the birth of the Messiah in Bethlehem, which had been predicted in the Old Testament.

What emotions did King Herod have when the wise men informed him of the birth of a new King in Bethlehem? His reaction was to have all boys under 2 years to be immediately killed.

How about your emotions, a good story and nothing more? Or do you accept the birth of Jesus as the Messiah and worship Him with the adoration of the Angels and the wisdom of the Wise Men?

Happy Christmas and a prosperous New Year.

We are looking forward to our second Christmas Concert with the Shelfanger Singers, on Tuesday 15th December at 7.30pm. Everyone enjoyed this event enormously last year – it is a great way to start your Christmas celebrations! Ticket prices remain at £4 for adults (children free) – and this includes a glass of mulled wine and a mince pie. To book tickets please contact Len Hobson (07712 670926).

We are hoping that the repairs to the church roof will be completed by the end of the year. It will be great to get our church 'back to normal' after this period of upheaval. Thank you to everyone who has had to cope with the situation over the last year. In particular thanks to Dorothy and Yvonne who, as vergers, have had to prepare the church for services and other events without the usual facilities.

Parish Council

Burston Playing field was alive with activity on Saturday 26th September for the official opening of the

new play equipment. Residents from all across the Parish were there to see the opening ceremony, and to enjoy the new play items in the glorious sunshine.

The opening was organised by Councillor Tom Grieve. The Friends of Burston School erected their marquee and provided tea and cakes throughout the afternoon. Magical Mark provided entertainment for the children, creating sweets from a mixture of toothpaste and washing-up liquid, as well as making animals and swords from balloons. The police provided an exhibition table and were handing out small items to the youngsters.

There was a 'score a goal' competition, which was run by Piers Bilston, where everyone had a chance to put a ball past an experienced goalie, to win a prize.

At the conclusion of the afternoon, after the Chairman of the Council, Nigel Frankland, had said a few words of thanks to all of those involved in the project and the opening ceremony, there was a balloon release, which revealed the sign which acknowledges all the help provided by the sponsors and grant-givers. A hundred balloons were held in a net to conceal the sign, and the pegs that held the net down were pulled out by the children who will be playing on the new play area. The balloon that goes furthest will win a prize for the finder, and for the lucky person who has claimed the number on that balloon. We know that one balloon got as far as Ware in Hertfordshire, and are waiting to see if any other balloons got any further. Nigel Frankland.

Burston School

In class 1 we have been learning about the gunpowder plot and how to keep safe around fireworks. In maths we are extending our knowledge on shapes by looking at sides, faces, edges and their names. On 10th November KS1 children will be taking part in a multi-skills festival at Diss High school. The children will be performing a nativity this year called 'A Miracle in Town'. We would like to invite you to the dress rehearsal on Monday 14th December at 10am at the school.

Throughout this term we have been learning about all the different people and places that help

us in our everyday living. It was very exciting to learn all about the RNLI and how they help to keep us safe when visiting the seaside. We all learnt lots about dogs that help people who are blind. Parsley, the dog, demonstrated with his owner how he negotiated obstacles and kept his owner from harm.

The whole class went on a walk around the village and across the fields following the footpaths picking blackberries as they went. We saw lots of wildlife and farming and were very tired when we got back to school.

The children are currently developing their handwriting through lots of different activities and would really appreciate anybody who has surplus unused diaries, past or present, calendars, envelopes, cards and any other unwanted stationery items.

We are really looking forward to this half term as the lead up to Christmas is always filled with fun activities. Class 3 are working on a range of English texts, beginning with *The Demon Headmaster*, which they are really enjoying. They are also working hard on number in maths, starting with a focus on fractions. In sports, we have had 5 children qualify for the cross country final at Earlham Park later this month. We will be taking part in the tag rugby tournament at Diss High school on the 18th November. KS2 children continue to swim every week at Diss pool. A visit to the Time and Tide Museum is planned for the 26th November, to support our work on Romans next term. This half term, we also have Christingle, the Nativity, Christmas jumper day and a trip to the theatre to see the Pantomime.

GISSING NEWS

ENTER AND REFLECT... words inscribed on our newly installed Church ramp, in memory of David Pitcher, which was dedicated on Remembrance Sunday – the annual invitation to us all to ponder on the lessons that have not been learned from the legacy of two world wars and the continuing conflicts in many countries both far and near. At the same time the blue velvet curtains, hung at the south door in memory of Aubrey Ringer in 1987, were re-hung and re-dedicated – having been cleaned and restored to good health. Both of these items are fitting reminders of men who loved and served their community and who are remembered with respect and affection. A large gathering of villagers assembled at the village memorial to honour men that most of us know only by name – men long dead who served their country and lost their lives – when a wreath was laid and the plaintive sounds of Kevin Hegarty's bugle rang out whilst we stood in silence with bowed heads.

As always the collection, amounting £113, was sent to the Royal British Legion for their work in caring for ex-servicemen and women and their dependants. As readers will know, the Legion has many strings to its bow, giving advice on war pensions and on careers for those leaving the Forces. It can help with starting up a small business, provide funds in a temporary crisis – such as homelessness – or assist with loans for property repairs. And it provides practical support to those recovering from an illness or bereavement.

Thank you to everyone who contributed to the Poppy Appeal street collection in Gissing, the total of which will be detailed on the Upper Street noticeboard and in the next edition of *Cock Crow*.

Christmas and New Year services at St Mary's are detailed on the separate householders' news sheet. Don't forget our carol service on 13 December at 11am and remember to wrap up warm as it's the season of winter draughts and there is no underfloor heating!

DH

Friends of Gissing Church

Since the summer our work has been dominated by the need to help develop plans for the stage 2

Heritage Lottery Fund (HLF) bid to be submitted in the summer and there is a lot to do! Some of the Friends' Committee are working with the PCC as part of a joint project team. Planning work covers the urgent structural repairs to the church building, promotion of the heritage within the church, and the upgrading of the electricity supply to the building. The Development Phase lasts until 9th June 2016 which is the final deadline for the PCC/Friends to submit a comprehensive programme for all aspects of work that need to be carried out.

Acceptance by HLF determines whether or not Gissing will get the full grant and can start the repairs and improvements that are so necessary now.

November has been a busy month for the project. The architects have conducted their 'opening up' programme to give them a greater understanding of exactly what repair and renovation work is needed. A public meeting at the Old School has given Gissing residents a chance to learn about progress so far, and will have provided an opportunity to comment on the ideas being developed. The project team continues to liaise with the Parish Council and the Heart of Gissing on areas of mutual interest, to make sure that everyone is kept informed on the various developments.

A timely publication by Michael Rimmer, called 'The Angel Roofs of East Anglia' (www.angelroofs.com), features Gissing and praises its wonderful double hammer-beam angel roof – one of only 32 such roofs in the entire country. The angels will feature in our promotion activities and hopefully as part of a Diocesan 'Angel Trail' with other churches with these particular types of roofs. Michael has been invited to come and give a talk to Gissing about his book and Gissing's roof in particular, sometime in the spring – when the weather is warmer!!

Even so, we still have to demonstrate that a small percentage of the funds can be raised locally. We have already been lucky enough to secure a grant from the Norfolk Churches Trust and we will be applying to other grant bodies in the coming months to help with the shortfall.

However, we still need your help.

In early December the Friends will be supporting the St Nicholas Fayre, organised by the Heart of Gissing – a good way to get into the festive spirit.

Talking of spirit, anyone who would like to brave the church tower on New Year's Eve to help ring in the New Year will be most welcome, and we are sure that nips of whisky will be on hand to keep the bell ringers warm.

The Friends hope that you and your family have a wonderful Christmas and New Year!

SHELFANGER NEWS

All Saints' Church

On Saturday 12th September the church was open for the annual Norfolk Churches Cycle Ride. Sincere thanks to Peter, Pam, Derek, Anne, Brenda and Sheila for being stewards during the day and to Tig and Jane Ross for their donation in lieu of their usual bike ride. Details of the total funds raised across Norfolk & Suffolk will be published in a later Cock Crow.

Glorious sunshine greeted the arrival of the bride at the wedding of Jessica Watkins and Edward Bailey on Friday 18th September. The service was conducted by the Revd Nigel Tufnell of Harleston and carefully observed by the couple's Newfoundland dog, Darcy, who played a dignified part. The married couple were able to complete most of the photographs and embark in the cars just before a torrential downpour made the journey to the reception a hazardous affair!

As hoped for, your church of All Saints was filled with flowers, vegetables, fruit and other produce for the Harvest Thanksgiving. The little building looked magnificent and had that marvellous autumn aroma of fruit and flowers. Very many thanks to the church flower arranging team who excelled themselves with a terrific display and to all who donated produce from their gardens or allotments. The service was led by members of the church Home Team. Prayers, hymns and readings reflected our thanks to God for all the blessings of the countryside. On the Monday following the service, wardens Peter and Roger assisted by Pam cleared and packed all the perishable goods and from 2 pm onward sold them at the Shelfanger bus shelter, raising a wonderful total of £106 for church funds.

Gift Morning was held on 31st October as part of the church's patronal festival weekend. Wardens and church members were present to chat and talk about the church, to receive gifts and share refreshments during the morning. A very generous start has been made with approaching £1,000 raised on the day and further funds are still being received.

Remembrance Sunday was marked at Shelfanger

with the laying of wreaths and the two minute traditional silence at the village war memorial. The well-attended service which followed was led by the Rector, David Mills, in his capacity both of parish priest and as retiring army chaplain.

Saturday 5th December sees the wedding of Emma Skilton and Andrew Corbyn at All Saints. A full report of this ceremony will appear in the next Cock Crow issue.

Christmas Services Reminder The annual Shelfanger Village Candlelit Carol Service will take place at 3 pm on Sunday 13th December.

The main five parish Midnight Communion is hosted by Shelfanger Church this year. This attractive service begins at 11.30 pm on Christmas Eve.

If you are not able to get to a Christmas service or communion and need help please ring wardens, Roger or Peter, on 01379 642286 or 651524.

Finally, as the autumn leaves fall and the grass continues to grow it's again time to say thank you to Ray, Des, Peter, Roy and Francis who make up the Shelfanger mower-pushing 'rotary club'.

Village Hall News

LEAF Good news! A new social group for adults with learning difficulties has been formed at Shelfanger Village Hall. The former Waveney & District Gateway Club has been re-launched under the new name LEAF (Leisure, Entertainment & Friendship). The group meets from 7.30–9.30 on the last Tuesday of each month. If you would like to join the group or would like to volunteer as a helper, please phone Jeanette on 01953 488358.

All those who were saddened when the original Gateway Club had to cease its invaluable activities will be much heartened by the formation of this new group and wish it well. At the same time, it would be fitting to say 'well done' to Steve, Bonty and all the original helpers and to Ivan, Ray and Derek from Shelfanger for their support.

Running repairs The Village Hall Committee are not just pretty faces, they are highly practical maintenance workers as well. Well done to John Kemp, Ivan Cotton and Derek Lord for several recent repair tasks expertly carried out.

Rugby World Cup The Social Club continues its lively way. A recent highlight was the special opening to view the Rugby final. A large, vocal and partisan group gathered to cheer on Wallabies or All Blacks and a lively session ensued. No one was actually sent off, but a nameless member had to spend some time in the sin bin. Some slight cracks that have appeared in the ceiling are testimony to the level of noise. Pizzas strengthened the body mass while the plentiful supply of ales and lagers refreshed the souls. Thanks Tig for a great afternoon.

Shelfanger Parish Council

Footpaths The footpaths are exercising not only the feet but also the minds of the parish council. The council has tried to contact landowners where public footpaths cross their land but if any members of the public find paths which not being maintained please either speak to the landowner or contact the council via Shelfanger.com website or direct to the clerk Helen Green on 652199 or shelfanger@dsl.pipex.com. The County Councillor, Beverly Spratt, would also like to be informed of any poorly maintained paths.

Footpaths Officer Shelfanger needs a footpath officer which involves checking all the paths. If you are interested in taking on this role, please contact the Parish Council as above.

The Parish Council wishes a happy Christmas and a peaceful New Year to all parishioners.

Shelfanger Stitchers

The group continues to meet fortnightly. One of the latest projects is to make single bed blankets for the St Martin's Trust in Norwich. If anyone would like to knit squares of any size which can be sewn together to make a blanket, please do so and pass them to Helen. (Tel: 01379 652199)

Shelwins

On Thursday 22nd October Shelwins and friends enjoyed a highly successful visit to Alan Gray's garden at The Old Rectory, East Ruston. Following exploration of the nearly seven acres of varied and beautiful garden, the group had sustaining refreshments, purchased plants and viewed the interesting collection of garden implements from down the years. Tom

Blake and Ray Leeder were still disputing the use of one peculiar implement nearly a week later.

The visit to north-east Norfolk ended with a satisfying meal and drink at the Lighthouse pub at Walcot. Well done Vicci Day and Marilyn Hurst for a lovely visit.

Royal British Legion Poppy Appeal

The valiant and faithful collectors, Peter Harries and Tig Ross, thank all those who donated to the fund this year. No official figure is available as yet but Pete and Tig report great generosity and a probable total of £300 plus.

Tivetshall Parish Council

We are asking electors to come forward with suggestions for co-option onto the Parish Council.

Eligible persons must be over 18 years of age and have lived in the parish of Tivetshall St Margaret or Tivetshall St Mary, or within three miles of the borders, for the last year. People who work in the parishes are also eligible to join the council. (A copy of the full qualification criteria can be found on our web site: search for 'Tivetshall Parish Council'.)

The Parish Council is the first tier of government and is closest to the people of the parish. It makes decisions about how much money to ask the parishioners to provide and what to spend that money on. It makes recommendations on planning applications within the parishes and cares for the playing field and the playground. Those who serve on the council make a positive contribution to their community.

Tivetshall Council currently has only three councillors out of a full complement of seven, and as such is dangerously close to not being able to function at

all. Should this come to pass, control will be handed over to South Norfolk District Council, and it would be a pity if local people no longer had a say in local matters.

So please come forward and suggest someone to fill one of our empty chairs, or maybe even volunteer yourself. The current councillors are committed to supporting any new member and there is training available.

Tivetshall Village Hall

A big thank you from the hall's management committee to all those who have hired or attended the hall during the year. The hall continues to host regular clubs (details of which can be found alongside our bookings calendar on our web site <http://www.tivetshallvillagehall.org.uk>) and has been host to many family celebrations especially children's parties where there is space for entertainers and plenty of room for the kids to burn off energy and enjoy themselves in a safe environment.

On a more serious note, the hall hosts regular Parish Council meetings and as government continues to give more powers to local people it is important that we all support the meetings that decide how some of our money is spent around the Parish.

On 22nd October a public meeting was held to discuss the benefits, use and installation of a defibrillator at the hall. A number of villagers have already generously donated to this equipment (thank you) but despite advertising on the village notice boards and in the post office, only three members of public attended to discuss what could potentially be a life saving piece of equipment for all ages. Maybe notice boards are not so well viewed these days, as we all whiz past in cars, so it would be interesting to hear from villagers how best to communicate dates of local events at the hall or important decisions (that could affect us all and use our money to fund them) are to be discussed. Emails seem to be a method that most people receive on their phones, tablets or computers, so if anyone has any suggestions as to how we can improve on the village hall notice boards please contact davidevansvillagehall@outlook.com

Finally, to those volunteers who work behind the

scenes to keep the hall running; without you the hall would not be available for all to use.

I thank you for your time and effort and wish you a Merry Christmas and Happy New Year.

Tivetshall Primary School

The first major event of the new school year was a trip to the Time and Tide Museum in Great Yarmouth. We learnt story writing skills based around a shipwreck and had a very interesting day out.

Later that week we held our annual Macmillan coffee morning and Harvest Festival assembly. After much cooking at school and home there were lots of delicious cakes on sale along with tea and coffee. Everyone had a great time and raised more than £90. Many thanks to all of those who donated cakes or came along and many thanks to Miss Brown, Miss Cason and Mrs Tibbs who worked so hard on the day.

Class 1 hosted a Grammar and Punctuation café for parents where we looked at all the grammar and punctuation terms that the younger children are expected to know and use – and improved our own knowledge too! We also listened to the story of The Rainbow Fish and enjoyed lots of art and craft activities in the hall with parents.

Class 1 continued a busy week with blackberry picking the following day. Many thanks to Mums and Grandmas who came to help. Lots of children went home with purple faces and full tummies!

We were very privileged to be visited by Simon and his guide dog Parsley. Simon kept us entertained with information, pictures and games but also talked to us on the subject of trust and the trust between himself and his dog. Trust is the value that we are focussing on this term.

During the following week we had more visitors. This time from the RNLI who came to talk to us about Water Safety as part of Water Safety Day. We looked at the role of the coastguard and lifeguards and the meaning of safety flags on the beach.

The half-term ended with the Key Stage 2 cross country event in Diss. Everybody who attended tried very hard and six children made it through to the next round, including Elizabeth Henson who came first in the Year 3 girls' race.

WINFARTHING NEWS

All Saints' Primary School

It has been a busy start to term with the new intake settling in very well. It was an honour to achieve the Gold standard award for PE at the start of term.

In the last half term, Rhino class have settled into school really well and have got to grips with school routines. They have been able to meet the teachers and children from the other schools in our federation during our Harvest Experience and Dinosaur Day. Rhino class have been working really hard on learning their phonics and are beginning to put these into practise with our reading over the rest of the year. This half term, Rhinos are looking forward to learning more about Dinosaurs and taking in part in the school production for Christmas!

Chimps Class have enjoyed investigating different animal groups and learning about their skeleton. A great day was had with a visitor who brought lots of fossils to explore. Chimps have learnt many new sounds and tasted different fruits. They have enjoyed reading a variety of stories and using exciting adjectives in their writing. The room has turned into a dinosaur cave with trees and moving models.

Panda Class began their swimming lessons on 17th September and have demonstrated a tremendous amount of perseverance. On 23rd September Panda Class visited St Martin's Church in New Buckenham and the children asked lots of interesting questions. They were particularly fascinated by a very old pocket bible which had been issued to soldiers during WW1.

They spent a couple of weeks creating poems about emotions and entered their work into a poetry competition. They are hoping to be good enough to win first prize (£1,000) for the school and there will also be the opportunity to see some of our poems printed in a book with other entries.

Four children in the class came in the top 10 runners in their categories during the Cross Country Running event at Diss High School during the last week of the half-term. This means they will represent the school again during the next heat of the competition on 17th November.

Last term, Dolphin class were looking at the book Beowulf. They looked into the characters and the setting and even created their own courtroom to defend or indict Grendel. In maths they looked at probability and areas of irregular shapes and wrote their own help sheets. They also created our own glow in the dark Beowulf dioramas in Art which showcased Grendel on the hunt.
